

YAKAMA NATION NETWORKS

DID YOU KNOW WE OFFER AUTO PAY?

Auto pay is when we automatically receive your monthly payment every month on the 20th and it is very simple to get set up!

Call us and we either need the visa card, mastercard, or bank account information you would like this monthly payment to be received from.

When setting this up we will give you a **one-time** \$25.00 credit to your account.

THANK YOU TO OUR CURRENT SUBSCRIBERS FOR STICKING WITH US WHILE WE CONTINUE TO GROW AND IMPROVE OUR SERVICE!

Our service should only continue to improve with our existing tower sites and as we add new tower sites.

Our current Discounts!

Paperless Billing \$10.00 credit.

Refer a friend to YNN \$25.00 credit.

Auto Pay \$25.00 credit.

Sign up for TEXT ALERTS from us!

You will receive outage alerts, new discounts, specials, and invoice reminders. To sign up please text YNNETWORKS to **33222**.

“Great service and amazing staff. Finally, an Internet provider that works good in this area.” -Ashley Young

Bag giveaway at the Treaty Day Parade
June 8th, 2017.

All of these package upgrades did not effect your monthly bill and you still pay the same price you always have.

NEW COVERAGE AREAS!

We currently have new tower sites in Parker and Toppenish. Our upcoming tower sites are going to be in Wapato and Zillah.

ROUTER OPTIONS

New high end router option available to all subscribers.

- \$150 new; \$125 if you trade in existing Mikrotik or AirRouter.
- Or \$15/month for 1 year.

High end range extender

- \$125 new, available for any subscriber.

Managed router service

- \$5 per month for remote management and support of home router.
- \$50 standard router option is still available as always.

NEW STAFF MEMBERS!

Justin Barney- Field Technician

David Aleck Jr.- Field Technician

Adam Suarez- Customer Service Representative

Adding new staff members will only improve our customer service and help us to continue to grow. Also with these additional staff members we will now have customer support on **Weekends!**
